

## PRACTICE AREAS

### **Corporate Law and Business Transactions**

Our Corporate Law and Business Transactions Group represents entrepreneurs and businesses in all aspects of business law including choice of entity, contract negotiations, mergers and acquisitions, employment matters and financing transactions.

### **Environmental**

Our Environmental group provides a breadth of experience in environmental risk management and enforcement, real estate development and permitting and conservation law.

### **Estate Planning and Administration**

Our Estate Planning and Administration Group provides sophisticated wealth transfer and estate planning strategies to individuals and families, with special emphasis on developing business succession solutions to family—owned businesses. We represent clients in all aspects of the administration of decedents' estates and family trusts.

### **Hospitality Law**

Our Hospitality Group has extensive experience in every phase of restaurant and lodging operations and development.

### **Litigation and Dispute Resolution**

Our Litigation and Dispute Resolution Group has extensive experience in complex commercial litigation in all state and federal courts, involving contract disputes, shareholder rights, environmental litigation, employment law, probate litigation and many other areas.

### **Municipal Law**

Our Municipal Law Group acts as special counsel to municipalities in various environmental, tax title and bankruptcy matters.

### **Real Estate**

Our Real Estate Group provides effective and efficient legal counsel to developers, investors and banks in all aspects of commercial and residential real estate transactions and financing.

### **Taxation**

Our Taxation Group has extensive experience in planning and structuring business and financial transactions in order that the lowest legal amount of federal and state taxes are imposed on our business and individual clients.
